

ANIMAL HEALTH CENTRE

292 Hibiscus Coast Highway, Orewa

Now offer you a **MOBILE PET SERVICE**

HEALTH CARE: Microchipping, nails, selective grooming, weight monitoring by professional veterinary nurses in the comfort of your own home or our Clinic. Ask about our oral hygiene and basic health check guides.

CHOICES: Chemical & drug-free wormers, flea control, vaccination nosodes. Pet owners are re-discovering the wisdom of herbal medicine and the benefits of homeopathy and complimentary therapies, achieving success through support rather than suppression. Ask about our professional Bioptron Light Therapy for post-op rehab, cancer, arthritis, injuries. Short, long-term hire available!

FOOD: Delivered to your region; fresh, free-range, organic, affordable. Rodney District's biggest selection, transforming the lives of cats and dogs – improving coat, behaviour, mobility, body function – with less reliance on medication. Ask about our weight and life-stage nutritional programs.

MINI WORKSHOPS: These will be held in various regions over the year, discussing animal health care, nutrition and 'make-your-own' simple medications. Contact us to register your interest.

Our Team:

NICKY: Veterinary Nurse from one of New Zealand's most experienced feline veterinary clinics. Passionate about owner education; has experienced the effectiveness of homeopathy with her own dogs.

THERESE: Veterinary Nurse from a rural mixed practice. Lifestyle Block experience offering sound practical advice combined with her love and knowledge of herbal medicine.

SARNDRA: New Zealand's most experienced animal naturopath, achieving physical and emotional wellness through nutrition and drug-less therapies; well-known writer, radio talkback.

“Drugs and nutritional deficits, not disease, are the major factors in the deaths of our pets. There is too much reliance on surgery, test results, antibiotics and steroids.” Sandra says. “Owners need to be informed about choices so they feel confident in managing their pet's health and welfare; and that's just what we're here for!”
